

**CITY OF LAGUNA HILLS
MEMBER OF THE CITY COUNCIL**

JOEL LAUTENSCHLEGER

AGE: 60

OCCUPATION: Councilmember/Hospital Administrator

It has been a privilege to serve as your city council member since 1991. As mayor this year, 1994 and 2000, I have provided leadership to improve the quality of life in our city that includes one of the lowest crime rates in the county. We have refurbished all of our parks and our premier Community Center/Sports Park has received numerous awards.

With my experience as a corporate president, I have provided strong, fiscally conservative leadership that helped build excess reserve funds to keep Laguna Hills secure well into the future while undertaking several large capital improvement projects. Our purchase and leasing out of our city hall building is a fiscal model for others to emulate. I have been actively involved with our Urban Village project to revitalize and improve traffic flow in the mall area.

Since before incorporation, when I was Co-Chairperson of the cityhood campaign and involved with all areas of the community, including the defeat of a commercial airport at El Toro, I have been committed to making and keeping our city a premier area to live, work, and raise our children. It has been an honor to serve you and I thank you for your support.
